## LAME LAWYER JOKE OF THE WEEK

A guy goes into the 'Brain Store' to buy some brain to complete a scientific study. He asks the butcher at the Brain Store how much each brain costs. The butcher replies, "\$3.00 an ounce for engineer brain, \$4.00 an ounce for computer programmer brain, and \$1,000.00 an ounce for lawyer brain."

"Why does the lawyer brain cost so much?" the guy asks.

The butcher replies, "Do you know how many lawyers we had to kill to get one ounce of brain?"
